12. Remarks: For use other than irrigation or stock watering, state number and type of units to be served or annual consumptive use. The purpose of this application is to maintain and improve a high elevation natural grass pasture area surrounding the Silver Park Spring in Lincoln County. The riparian area involved is important habitat for a variety of small wild animals as well as deer, elk, antelope, mountain lions, coyotes, bobcats, kit and grey foxes, badgers, skunks, numerous specie of chmunks, many specie of birds and wildlife fowl birds. My purpose and motivation is to protect the natural condition of this spring and meadow area. There are a variety of mining ventures in the area that threaten to encroach upon this important scenic area. Please see application 39138 for map, note photocopies attached re No. 39138 filed earlier by me.
